Clear Explanations and Practice Questions

The book begins with clear and concise explanations of all the key concepts that students need to know for the exam. These explanations are followed by a wealth of practice questions that allow students to test their understanding and identify areas where they need further practice.

Mock Tests for Exam Practice

In addition to practice questions, the book also includes four mock tests that are fully timed and structured to replicate the actual exam. This gives students the opportunity to practice under exam conditions and identify any areas where they need to improve their performance.

A Proven Track Record of Success

CGP has a proven track record of helping students succeed in the 11+ GL exam. Our books are written by experienced teachers who understand the demands of the exam and how to help students achieve their best results.
