Excerpt

Emily sat on the edge of the bed, staring at the positive pregnancy test in her hand. She couldn't believe it. She was pregnant. With David's child.

A wave of grief washed over her. David was gone. He would never know about this baby. He would never hold it in his arms. He would never see it grow up.

Emily felt like her heart was breaking all over again. But then, something inside her shifted. A tiny flicker of hope. A hope that this baby could be a

part of David, a piece of him that would live on.

Emily took a deep breath and stood up. She walked over to the window and looked out at the world. The sun was shining, and the birds were singing. It was a beautiful day. A new day.

Emily knew that she had a long road ahead of her. But she also knew that she had something to live for. She had David's child.
