How to Use Leveled Reader Silver Level 24 Rigby PM Generations

Leveled Reader Silver Level 24 Rigby PM Generations can be used in a variety of ways in the classroom. The program can be used for whole-group instruction, small-group instruction, or independent reading. The program can also be used as a supplement to other reading instruction materials.

When using Leveled Reader Silver Level 24 Rigby PM Generations for whole-group instruction, the teacher can read the text aloud to the students. The teacher can then lead a discussion about the text, and ask students questions about the characters, setting, plot, and theme. The teacher can also use the text to teach specific reading skills, such as

phonemic awareness, phonics, vocabulary, comprehension, and critical thinking.

When using Leveled Reader Silver Level 24 Rigby PM Generations for small-group instruction, the teacher can divide students into small groups. Each group can then read a different text. The teacher can then work with each group to teach specific reading skills. The teacher can also use the texts to lead discussions about the characters, setting, plot, and theme.

When using Leveled Reader Silver Level 24 Rigby PM Generations for independent reading, students can choose a text that they are interested in reading. Students can then read the text at their own pace. The teacher can then check in with students to assess their comprehension of the text.

Assessment

Leveled Reader Silver Level 24 Rigby PM Generations includes a variety of assessment tools that help teachers track students' progress. These tools include:

- Running records
- Informal reading inventories
- Comprehension quizzes
- Writing prompts

These assessment tools can help teachers identify students who are struggling with specific reading skills. The teachers can then provide additional support to these students.

Leveled Reader Silver Level 24 Rigby PM Generations is a comprehensive reading program that provides students with engaging and accessible texts to support their reading development.
