Synopsis

Peter Powers is a young boy who loves to play outside. One day, while playing in the park, he is attacked by a swarm of itchy insects. The insects are so itchy that Peter can't help but scratch himself. But the more he scratches, the itchier he gets.

Peter soon realizes that the insects are not just itchy, they are also venomous. The venom from the insects makes Peter's skin red and swollen. Peter knows that he needs to find a way to stop the insects before they hurt him or anyone else.

Characters

- **Peter Powers:** The titular protagonist of the story. Peter is a young boy who loves to play outside. He is brave and resourceful, and he always tries to help others.
- **Professor Pruitt:** A brilliant scientist who helps Peter to develop a cure for the itchy insect venom. Professor Pruitt is a kind and caring man, and he is always willing to help those in need.
- **The Itchy Insects:** The main antagonists of the story. The itchy insects are a swarm of venomous insects that are attacking the town. They are relentless and aggressive, and they will stop at nothing to spread their venom.

Themes

Peter Powers and the Itchy Insect Invasion is a story about courage, determination, and the power of friendship. Peter is a young boy who is faced with a difficult challenge, but he never gives up. He is brave and resourceful, and he always tries to help others. Professor Pruitt is a kind and caring man who is always willing to help those in need. And the Itchy Insects are a formidable foe, but Peter and his friends are determined to stop them.
