Shadowed Loyalty is a captivating historical fiction novel by Roseanna White. Set in the tumultuous era of the English Civil War, the book follows the story of Alisoun MacMeans, a young woman torn between her loyalties to her family and her country.

A Divided Nation

England is on the brink of civil war. The country is divided between those who support the Royalists, led by King Charles I, and those who support the Parliamentarians, who oppose the king's absolute power.

Alisoun's family is divided by the conflict. Her father is a staunch Royalist, while her uncle is a leading Parliamentarian. Alisoun herself is torn between her loyalty to her family and her belief in the cause of the Parliamentarians.

A Dangerous Love

In the midst of the war, Alisoun falls in love with a Parliamentarian soldier named Gideon. Their love is forbidden, but it is also undeniable. Gideon is a kind and compassionate man, and Alisoun is drawn to his strength and courage.

However, their love is threatened by the war. Gideon is a target for the Royalists, and Alisoun is seen as a traitor by her own family. They must keep their love a secret, or risk being torn apart.

A Test of Loyalty

As the war intensifies, Alisoun is forced to make a choice. She can remain loyal to her family and betray her country, or she can side with the Parliamentarians and risk losing everything.

Alisoun's decision will have far-reaching consequences for herself, her family, and her country. She must choose carefully, or she will be forever torn between her loyalties.
