The first section explores the complexities of love, from the early stages of infatuation to the challenges of maintaining a long-term relationship. The second section deals with the pain and grief of loss, both in terms of romantic relationships and the death of loved ones. The third section focuses on the strength and resilience of the human spirit, even in the face of adversity.

Perdomo's poems are deeply personal, but they also resonate with universal truths about the human experience. He writes about the joys and sorrows of love, the pain of loss, and the power of resilience. His poems are a reminder that even in the darkest of times, there is always hope.

Here are a few excerpts from the collection:

“From "Love":

***I love you more than words can say,
More than the sun loves the sky.
I love you more than the ocean loves the shore,
More than the wind loves to fly.”***

“From "Loss":

***I miss you more than words can say,
More than the sun misses the moon.
I miss you more than the ocean misses the shore,
More than the wind misses the trees.”***

“From "Resilience":

***I have been through the fire,
I have been through the rain.***

***I have been through the storms,
But I am still standing here.”***

Smoking Lovely: The Remix is a powerful and moving collection of poems that will stay with you long after you finish reading it. Perdomo's raw and honest style captures the complexities of human emotion, and his poems offer a glimmer of hope even in the darkest of times.
