The Cambridge History of Sixteenth-Century Music is the definitive guide to the transformative era that shaped Western music. With expert insights and detailed analysis, this comprehensive work unveils the rich tapestry of musical styles, composers, and cultural influences that defined the Renaissance.

Edited by leading musicologists Jesse Rodin and Craig Monson, this monumental work brings together a team of international scholars to explore every aspect of sixteenth-century music. From the rise of polyphony to the development of instrumental music, from the sacred music of the Catholic Church to the secular songs of the court, this volume provides a comprehensive overview of one of the most important periods in musical history.

## Key Features

- **Comprehensive coverage:** Explores all aspects of sixteenth-century music, including sacred and secular music, vocal and instrumental music, and music from all over Europe.
- **Expert insights:** Written by a team of leading musicologists, providing authoritative and up-to-date scholarship.
- **Detailed analysis:** Offers in-depth analysis of musical works, illuminating their structure, style, and historical context.
- **Cultural context:** Examines the social, cultural, and intellectual influences that shaped sixteenth-century music.
- **Appendices:** Includes valuable appendices, such as a glossary of musical terms and a timeline of musical events.

## Target Audience

The Cambridge History of Sixteenth-Century Music is an essential resource for:

- Musicologists and music historians
- Students of music theory and analysis

- Performers and conductors of early music
- Composers and arrangers interested in Renaissance music
- Anyone with an interest in the history of Western music

## **Reviews**

"The Cambridge History of Sixteenth-Century Music is a monumental achievement. It is the most comprehensive and authoritative work on this period of music history ever published." - **John Caldwell, Professor of Music, Harvard University**

"This volume is a treasure trove of information and insights. It is essential reading for anyone interested in the music of the Renaissance." - **Judith Tick, Professor of Music, City University of New York**

"The Cambridge History of Sixteenth-Century Music is a landmark publication. It will be the standard reference work on this period for many years to come." - **David Fallows, Professor of Music, University of California, Berkeley**
